Paul's Ponderings...

Ashes and Dust

Ash Wednesday marks the beginning of the Season of Lent. It is the day that Christians of many stripes go to church for solemn prayers and to be marked with ashes on their foreheads as a symbol of repentance, but most importantly, a reminder of their mortality. As this ancient ritual is carried out the minister will say to each person, "Remember that you are dust, and to dust you shall return."

As a Chapel Family we will observe Ash Wednesday this year on March 2nd at 5:00, and it will be the third Ash Wednesday we will have come together during the Great Pandemic. It seems to me that we have been in a perpetual Lent surrounded by days and days of ashes and dust...years of coming face to face with our mortality. Just since Christmas I have personally lost to COVID a former long-time dental patient, a personal friend, a friend of this Chapel, and a thirty-seven year old family friend who left a wife and four children...all right here in Moore County...all unvaccinated. So, right now, all I can see is that we have suffered through three long years of Lent and for me, I just don't want to think about my mortality or anyone's mortality for even another day.

You see, for over two years now that's pretty much all I've done...reflect, pray, learn needed online technology, go to meetings that revolve around protecting all of you from this deadly disease, listen to

those of you who have come to me complaining that our protocols are too lax, only to be confronted by those of you who think that all our church protocols are too strict. All the while worrying that I might die, someone I love might die, or I might unwittingly contribute to someone else dying. And, day after day hearing of folks dying alone in the hospital and seeing the sad faces of those of you who were isolated in your homes or our local assisted living facilities. Even now, every time I put on my mask I think of the deaths of over 900,000 fellow Americans and millions of people throughout the world and so the Lenten discipline of contemplating mortality seems to me like just one more global Lenten pandemic day.

God said to Adam and Eve...

*"By the sweat of your face
you shall eat bread
until you return to the ground
for out of it you were taken;
you are dust
and to dust you shall return."*
Genesis 3:19

We came from nothing, so we shall return to nothing. This is the most frank reminder of our fleeting existence and a stark acknowledgement of our certain death. But, thanks be to God, this verse also alludes to another concept found just one chapter earlier in Genesis that does not deal with death but with new creation.

*In the day that the Lord God made
the earth and the heavens, when no*

plant of the field was yet in the earth and no herb of the field had yet sprung up - for the Lord God had not caused it to rain upon the earth, and there was no one to till the ground; but a stream would rise from the earth, and water the whole face of the ground - then the Lord God formed man from the dust of the ground, and breathed into his nostrils the breath of life...

Genesis 2:4-7

A spring wells up from the dusty earth and from the muddy mixture of water and dust God created living beings and breathed into them the breath of life. So, dust may be our ending, but it was also our beginning. Dust and ash are the essential elements of creation.

Somehow, in this seemingly endless season of death, dust and ash will become the matrix of new life...death will yield to resurrection. This Lenten Season let us await another spring arising from the parched ground and our renewal as God's people. Let us anticipate the renewed lives and renewed purposes for which we have been created. We've had enough of death. This Lenten Season, let us all embrace life...new life...abundant life.

***A Blessing for
Ash Wednesday,***
by Jan Richardson

All those days
you felt like dust,
like dirt,
as if all you had to do
was turn your face
toward the wind
and be scattered
to the four corners
or swept away
by the smallest breath
as insubstantial -
Did you not know
what the Holy One
can do with dust?
This is the day
we freely say
we are scorched.
This is the hour
we are marked

by what has made it
through the burning.
This is the moment
we ask for the blessing
that lives within
the ancient ashes
that makes its home
inside the soil of
this sacred earth.
So let us be marked
not for sorrow.
And let us be marked
not for shame.
Let us be marked
not for false humility
or for thinking
we are less
than we are
but for claiming
what God can do
within the dust,
within the dirt,
within the stuff
of which the world
is made,
and the stars that blaze
in our bones,
and the galaxies that spiral
inside the smudge
we bear.

Lenten Schedule for March 2022

March 2 - Ash Wednesday - The Imposition of Ashes - 5:00

Scriptures: Joel 2:1-2, 12-17, Isaiah 58:1-12, Psalm 51:1-17, and Matthew 6:1-6, 16-21

Message: Righteousness

Theme: The word in the gospel reading translated "piety" is the same word used in other places in the Bible that is translated "righteousness". So, we need to look at Lent as a time when we concentrate on righteousness...on doing the right thing.

March 6 - The First Sunday in Lent

Scriptures: Deuteronomy 30:11-14 (Off lectionary), Psalm 91:1-2, 9-16, Romans 10:8-13, and Luke 4:1-13

Message: Jesus Is Tempted...the Church Is Tempted

Theme: On the first Sunday of Lent we always hear some version of Jesus being tempted in the wilderness by Satan. The church is not exempt from temptation. One of the great temptations of the church has always been to turn the gospel into a neat system, clearly stating what's required of its members, and defining whose in and whose out. But, in Romans, Paul challenges us to give this attitude up for Lent.

March 13 - The Second Sunday in Lent

Scriptures: Genesis 15:1-12, 17-18, Psalm 27, Philippians 3:17-4:1, and Luke 13:31-35

Message: Hens, Foxes, and Tears

Theme: Perhaps the "enemies of the cross" that Paul speaks of are not those who hate Jesus or hate the church, but those that demand that Jesus be less sacrificial and more powerful and triumphant and provide more protection for us than the wings of a mother hen. Perhaps the "enemies of the cross" are not those outside the church but those inside the church who desire a powerful and conquering God...those that desire a fox rather than a hen...and this brings Jesus to tears.

March 20 - The Third Sunday in Lent - Holy Communion

Scriptures: Isaiah 55:1-9 and Psalm 63:1-8

Message: The Hunger Within

Theme: We have a hunger within that we try to satisfy by accumulating things. Yet, we are called to live in an alternative economy...one where God provides an abundance of gifts and teaches that every gift is given to us to be given away. Isaiah is calling the people of Israel back to their roots of an economy based on abundance and neighborly sharing. So, we respond by gathering to practice God's economy by breaking the bread and sharing it.

March 27 - The Fourth Sunday in Lent

Scriptures: Deuteronomy 21:18-21 (off lectionary), Psalm 32, 2 Corinthians 5:16-21, and Luke 15:1-3, 11-32

Message: The Prodigal Father

Theme: Paul tells us that God has hammered out a peace treaty with humanity. It is an unusual peace treaty because one side gives up everything and the other side compromises nothing. The definition of "prodigal" is liberal or extravagant. In the Parable of the Prodigal Son, it is not really the Father who is liberal and extravagant with his forgiveness, nor either son?

President's Corner

As we move into March, the first two months of the years have flown by. I saw the first pink Cherry tree blossoming in my neighbor's yard this week so I know Spring is right around the corner.

The board understands just how difficult things have been for everyone concerning having in sanctuary or virtual services. We struggle with this matter every month trying to make sure that we offer our community the best options, that will protect them, offer a safe environment to worship and serve God and our community.

For almost two years now we have managed to survive the COVID Pandemic, as a strong community. Our goal on the board is to foster that success ongoing until we can all come back together in our beautiful sanctuary to serve and worship God together. We want to thank all of you for being so patient with the changes that we have had to make as the Pandemic peaks and valleys continue to waver. As it looks now, we may be on the downside and with the lifting of Federal & State mask guidelines, that starting next Wednesday March the 2nd we will be coming back to the Chapel for in sanctuary services each week.

This is a wonderful time to be able to worship together as we move into the Lenten season and on the Easter and the resurrection of Our Lord Jesus Christ.

The Board welcomes each of you back to the sanctuary for our services moving forward.

We do encourage you to use your judgement and wear a mask if you desire for your and the community's protection. We also encourage you to Social Distance as needed.

The board is working on several initiatives, focused on preparing our community to grow our membership. Many churches are struggling with membership due to the impact from the Pandemic, so we are not alone. It is a major undertaking to embark on 'membership campaign' in these times so we must be prepared to all pull together, putting all our social the near future. We will be looking to a variety of volunteers to join the effort of preparing us for the growth we need and desire. You will be hearing more in the near future.

President's Corner Cont'd

As most of you know we have a new Chapel Administrator. Ms. Susan Williams. She has began her tenure and as you can see from the Chapel bulletins and this newsletter, she has hit the ground running and is doing an excellent job. I would encourage each of you to drop or call and introduce yourself to Susan.

In addition, the Board has an open seat that we need to fill from our community. We need someone that is vigorous, thoughtful and has an interest in helping lead the Chapel into this group process, to build a stronger Chapel.

Lastly, I want to thank all of our board members for their service to the Chapel and their steadfast dedication to our community.

George Norman
President

Message From The Board

***The Chapel Board of Directors is pleased to announce
that in-sanctuary worship will be open to all beginning
Ash Wednesday, March 2, at 5:00 p.m.***

Let us all rejoice and celebrate and thank God that as we enter into the Season of Lent and approach the beauty of the resurrection on Easter Sunday that we will once again be able to gather together in-person to worship God!

Our Chapel Board has consistently made decisions during this pandemic out of their love for each of you and their desire to provide all of us with opportunities to worship and serve God in safety. As we return to in-person worship this will only be possible with your continued cooperation. The Board asks, encourages, and strongly recommends that all of us wear masks and that we make every effort to physically distance ourselves during worship and all other times that we might gather here at the Chapel.

We all pray that this pandemic will subside so that our leadership will be able to gradually relax our mask and other COVID protocols as well. And, of course, online worship will continue for those of you who are far away, feel safer, or just prefer to worship virtually.

Peace,
Pastor Paul

Team Updates

Finance Team

Dick Van Horne reported total liquid assets of \$295,361, of which \$68,211 was in the Schwab Investment Account. January income of \$41,832 was higher than normal, due to receipt of 2022 pledge contributions.

Building & Grounds

Chairman Dick Van Horne reported the annual fire extinguisher (9) inspection were completed, as reported by Mike Barry. A sprinkler inspection is necessary as well, to flush the system, check water flow and water pressure. The inspector will check the backflow valve and the entire system in the sprinkler room. Estimated cost of the sprinkler inspection is \$468. The expense of the inspection is normal and incidental to building/grounds needs.

Cemetery Team

The Cemetery Team is reporting two full casket burials at the Cemetery in January, and an interment in the Columbarium. We have sold one Niche and two plots at the cemetery with no activity at the Chapel Columbarium's.

January ended the month with a positive balance of \$3,903.03 having sold two burial plots and one Niche. This balance reflects the allowance of deductions of engraving, as well as other expenses incurred.

No burials or interments are reported for February.

One Head Stone at the Cemetery was raised because it was too low and getting covered with sand.

Three boarder stones on the Columbarium wall also had to be reset to prevent falling out and breaking after becoming too loose.

Work continues on the new Columbarium at the Chapel.

May all have a safe, healthy, and happy 2022 and may all your challenges be small and fleeting.

Mike Barry
Cemetery Team Chair

Worship Team

The Worship Team discussed the possibility of merging with the Sanctuary Preparation Team, but in the end decided to ask the Board to repopulate the Sanctuary Preparation Team. Several Worship Team members have offered to assist Carole Faas with her preparation duties.

Pastor Paul shared with the Worship Team the proposed Worship and Communion Schedule for 2022 and it was approved as presented. The Lent and Holy Week schedule was also approved by the team as sheared by Pastor Paul, who stated that more items would be added to the schedule as time progressed.

Sam Stolz has resigned from the Worship Team due to his college responsibilities and we have been asked to nominate someone else to fill his position.

We are happy to announce that Kathy Goodman has joined the Worship Team.

History and Mission

Rummage sales have been ongoing projects for the Chapel in the Pines since 1985. Its purpose has always been a way to serve God's people. In the beginning, the Chapel Benevolence Committee (now Mission Committee) created a year round program of outreach, contributing to organized welfare and service activities which was later expanded to include national and worldwide needs.

Throughout the years, many of our Chapel members (some of whom are no longer with us) and residents of our community have devoted their time, resources and talents to carrying out this indispensable part of the Chapel's purpose. From the first Rummage Sale held in the North Club House to the West End Gym, the Chapel's Fellowship Hall and the parking lot of the Chapel; these sales have provided assistance to many people and organizations. Participants of the sales not only get to know their fellow congregants, but are able to meet residents of the community as well.

Currently the Mission Committee (with the proceeds from the sales) has contributed to "Friend to Friend", the Food Bank, West End Elementary School, Christmas4Moore. The next Rummage Sale will be held on Saturday, May 21 from 8:00 am until 12 noon. Donations are now being accepted Monday through Friday, 10:00 am until 2:00 pm and can be placed downstairs in the Kids' Zone. Please call ahead to make sure the door is unlocked.

Music Ministry (Submitted by Edward Lee)

For the month of March our choir member spotlight falls on soprano, Chris Beck!

Where are you from originally?

I am from near Williamsport, PA. I went to a state college in PA and taught 20 years as a home economics teacher. 19 of those years were in New York because we got married and Jim already worked there.

How did you get to the Seven Lakes community and Chapel in the Pines?

We did a lot of traveling looking for a retirement community until we found Pinehurst. We spend 3 winters in a rental and then found the home we have now. One of our former pastors and close friends reached at the Chapel while he worked at Duke, so we visited there to hear him long before we planned to retire.

What was your first singing experience?

My first singing experience took place with my church choir as my mother was the director. I also belonged to the Juvenile, Junior and Senior Music Club of Williamsport.

What other singing experience have you had, than church choir?

I was given piano lessons, but the teacher recommended that end, so my mother sent me to her former voice teacher for lessons. It was a very interesting experience as she was blind from birth.

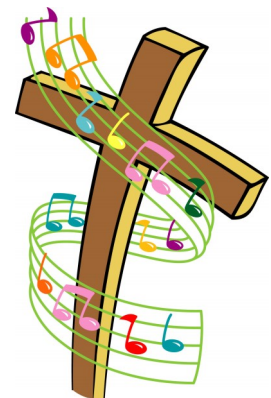

What is the best part of being in a choir?

The best part of being in choir was the friendships that developed and the continuation of the use of my vocal experiences.

What is your favorite style of music?

I enjoy classical music as well as 60's music and some country.

Thank you, Chris, for letting us get to know you better!

Montreat College Conference 2022

This year, at the 2022 Montreat College Conference, two of our youth had the privilege of traveling all the way to Black Mountain, NC. The conference this year focused on the question, "What's Next?", as we are all beginning to navigate the transition from COVID 19, back to our regularly scheduled life. This theme was also used to explore the direction of the church.

This year was a very unique experience in terms of dealing with the pandemic. Both Anna and Jade experienced one of the first full conferences since 2019. During the conference, safety protocols like mask-wearing and distancing from other large groups were in place. However, this didn't stop new friendships from forming!

During our worship and keynote speaking times, we had the privilege of listening to local and visiting speakers like Mary Laura Philpot, the author of, *I Miss You When I Blink*, A New York Times Best Seller. These talks focused on the value of knowing the worth of God's love placed in us and remembering that regardless of what life looks like for us now, God has a plan.

Montreat 2021

This year at Montreat was an incredible experience that helped us challenge our faith, and grow stronger in our Christian community. This experience was so relieving to see that there are a great number of college students that are active as young members of the church, and that are so willing to gather together and worship. Montreat is a place for renewal of faith, and a wonderful experience for children of all ages. All in all, this year at College Conference was a brand new experience, full of surprises, tough moments and life lessons. But it's safe to say, our youth are excited for the possibility of Montreat 2023!

Final Note:

Anna and Jade would like to extend a special thank you to both Paul and Julie James for being their stand-in parents for the entirety of the conference. We both found lots of joy in pretending to be the James girls for a few days, especially because Mrs. James is such an amazing cook (and temporary mom)!

Psalm 121: 1-2

I will lift up mine eyes unto the hills, from whence cometh my help!

² My help cometh from the LORD, who made heaven and earth.
